ACKNOWLEDGEMENT

It is a great pleasure for us to acknowledge the assistance and support of a large number of individuals who have been responsible for the successful completion of this project.

We take this opportunity to express our sincere gratitude to **Dayananda Sagar College of Engineering** for having provided us with a great opportunity to pursue our Bachelor Degree in this institution.

In particular we would like to thank **Dr. B G Prasad**, Principal, Dayananda Sagar College of Engineering for his constant encouragement and advice.

Special thanks to **Dr. Annapurna P Patil**, Professor and HOD, Department of Information Science & Engineering, Dayananda Sagar College of Engineering for her motivation and invaluable support well through the development of this project.

We are highly indebted to our internal guide <<**Guide Name**>> <<**Designation**>>, Department of Information Science & Engineering, Dayananda Sagar College of Engineering for their constant support and guidance. Our guide has been a great source of encouragement throughout the course of this mini project.

We express our sincere thanks to the Mini - Project Coordinators **Dr. Radhika T V, Assistant Professor**, and **Dr.Krupashankari S S, Assistant Professor** of the **Department of Information Science and Engineering** for their continuous support and guidance. We thank all teaching and non-teaching staff of the Department of Information Science and Engineering for their kind and constant support throughout the academic Journey.
